Faculty of Fine Arts and Architecture

QUALITY POLICY

In line with the vision, mission and core values of Hasan Kalyoncu University;

Ensuring a participatory management approach and increasing satisfaction in cooperation with internal and external stakeholders

Updating and meeting education and training processes in line with the needs and expectations of all relevant parties

Based on the Plan – Do – Check – Take Action (PDCA) approach within the framework of continuous improvement

Creating a quality management system, implementing it and ensuring its continuity has been determined as the Quality Policy of our Faculty.
